

PARTICIPATING RETAILERS

You can get your **myconnect** card and/or load money (MyCiTi Standard) at a range of retailers along MyCiTi routes.

This top-up facility is aimed at providing a service to passengers who cannot easily get to a MyCiTi station, or as a top-up point when a station kiosk may be closed. MyCiTi Mover packages are initially not available at participating retailers.

There is a load fee of 3.5% (minimum R1.50) of the amount of money loaded at retailers.

Money loaded as MyCiTi Standard can be used to make purchases of up to R200 at a time at any shop that permits debit card transactions. Mover points, however, can only be used to pay for MyCiTi fares.
