MyCiTi welcomes visitors to Cape Town

MyCiTi is Cape Town's safe, reliable, convenient bus system. It is the perfect way to connect with the city from the Airport and to explore some of the destinations Cape Town has to offer.

MyCiTi operates up to 18 hours a day, depending on the route, so you can enjoy the city's many attractions from early morning to long after sunset.

Your guide to MyCiTi

1. Get your card

No cash is accepted on MyCiTi buses. Buy your **myconnect** card for R30 from the Airport, Civic Centre and other MyCiTi stations and load it with enough money for your stay. You can load money as Standard, or Mover points (from R30) and save 30% on fares. You can also load money on your **myconnect** card at Absa cash-accepting ATMs at the Airport.

Single-trip cards

Instead of a **myconnect** card you can also buy a R85 single-trip card. This allows you to make one journey anywhere on the MyCiTi network, including transfers to or from the Airport.

myconnect card	Single-trip card
Use until it expires	Use only once
Costs R30, excluding travel	Costs R85 including a one-way journey to any destination on the MyCiTi system
Load cash (Standard) or Mover points. With Standard you can pay fares and make purchases, but with Mover you save on fares.	No value can be loaded once the single-trip journey has been completed
Requires a PIN	No PIN
Buy at MyCiTi stations and retailers	Buy at Civic Centre, Airport and other MyCiTi stations
Use for return journeys	Use for one-way journeys

Monthly Package

For R780 you can load a Monthly Package onto your **myconnect** card. This allows two journeys a day, including transfers, on any route, including the Airport service.

2. Use your card

Tap your **myconnect** card against the validator when you start and end your journey. This ensures you pay the correct fare and avoid penalties. When you enter or exit at a station, tap your **myconnect** card against the validator to the right of the access gates and they will swing open. If you enter the bus at a roadside stop, tap your card against the validator marked 'IN'. When you exit at a roadside stop, tap your card against the validator marked 'OUT' as you leave the bus.

3. Plan your journey

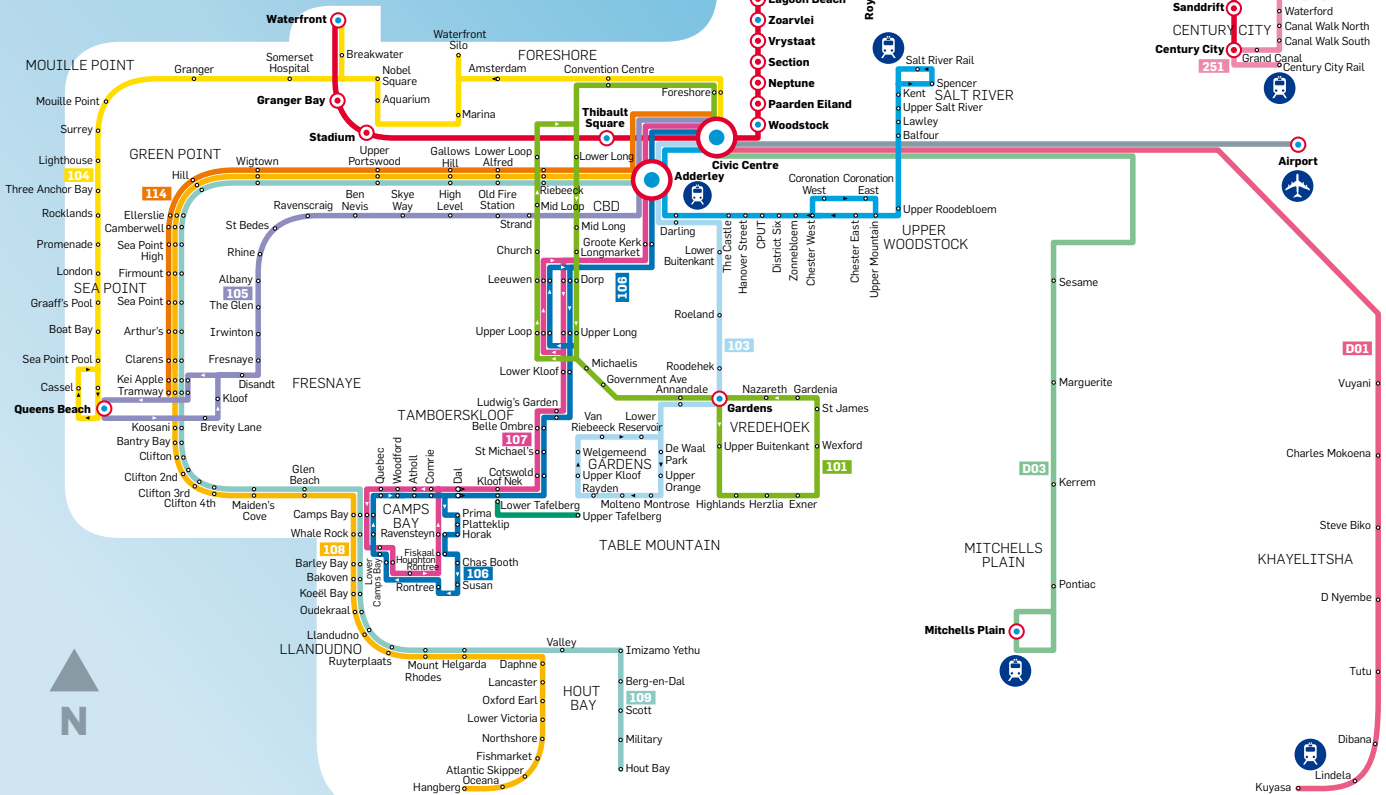

For detailed directions for a journey that includes MyCiTi, use the trip planner at www.myciti.org.za.
