

OPENBARE VERGADERING MYCITI IN TAFELSIG

Jou nuwe MyCiTi-roete **D04** van Kapteinsklop, deur Tafelsig, na Mitchells Plain-middedorp en die Kaapse middestad is sedert November 2015 in werking, en maak gebruik van tydelike haltes langs AZ Bermanrylaan en Kilimanjarostraat. Ons het nou jou hulp nodig om te besluit waar die permanente bushaltes gebou moet word om aan ons passasiers se behoeftes te voldoen.

Die eerste roete tussen Mitchells Plain en die Kaapse middestad - **D03** - is in Julie 2014 bekend gestel as 'n sneldiens om bestaande treindienste aan te vul.

In die meeste voorstede waar roetes ingestel is, onder andere Seepunt, het ons van tydelike haltes gebruik gemaak om die amptenare van Vervoer vir Kaapstad (TCT) en gemeenskappe te help besluit waar permanente haltes gebou behoort te word. Dit kan deur faktore soos inwoners se veiligheid en gerief beïnvloed word.

TCT hou nou 'n openbare vergadering om oor die permanente ligging van MyCiTi-haltes op roete **D04** te besluit.

Die tydelike bushaltes in Tafelsig is tans in Imperial, Spine, Langeberg, Paulsberg en Snowdon, en vervoeramptenare sal by die vergadering wees om na jou voorstelle te luister en daarop te reageer.

Sien jou daar!

Kom sê jou sê

Datum: Woensdag 24 Februarie 2016

Tyd: 15:00 tot 19:00

Plek: Thusong-dienssentrum, Tafelsig, Mitchells Plain

MYCITI TAFELSIG PUBLIC MEETING

Your new MyCiTi route - **D04** - from Kapteinsklop, through Tafelsig to Mitchells Plain Town Centre and the city centre has been operating along AZ Berman Drive and Kilimanjaro Street since November 2015 using temporary stops. Now it's time for you to help decide where permanent bus stops should be built to best service your needs.

The first route between Mitchells Plain and the Cape Town city centre - **D03** - was launched in July 2014 as an express service to complement existing rail services.

In most suburbs where routes are introduced, such as Table View and Sea Point, the same temporary stops were first used to help Transport for Cape Town (TCT) officials and communities decide where permanent stops should be located. This can be affected by factors such as your safety and convenience.

TCT is now holding a public meeting to help decide on the permanent location of MyCiTi stops along route **D04**.

There are currently temporary bus stops at Imperial, Spine, Langeberg, Paulsberg and Snowdon in Tafelsig, and transport officials will be at the meeting to discuss your suggestions with you.

See you there!

Come have your say

Date: Wednesday, 24 February 2016

Time: 15:00 to 19:00

Venue: Thusong Service Centre, Tafelsig, Mitchells Plain
