

MYCITI CONSTRUCTION GOVAN MBEKI ROAD, GUGULETHU

Construction is underway along Govan Mbeki Road from Ottery Road to the NY72 Road, for the next phase of the City of Cape Town's MyCiTi bus service.

The work includes the upgrade of 2,4 km of Govan Mbeki Road, including dedicated MyCiTi lanes, the construction of an open station near the intersection with Vygekraal Road and the widening of bridge support structures at the intersection with Jakes Gerwel Drive.

Roadworks are being carried out in phases and confined to between 09:00 - 15:00 on weekdays to avoid peak traffic times and limit disruptions.

The work, however, still impacts on traffic and results in delays. Motorists are therefore urged to consider public transport, ride-sharing and lift club options. The City realises the inconvenience involved and appreciates the patience of everyone affected.

Join us at a public information day to find out more about:

- Progress with construction
- How to register as a jobseeker on the City's jobseeker database
- How to register for subcontracting opportunities

Date: Wednesday 16 October 2024

Time: 15:00 - 17:00

Venue: Ikwezi Recreation Centre, Main Hall, 38 Fezeka Street, Gugulethu

Visit www.myciti.org.za/phase2a for more information and to sign up for project updates.
